my family at the feast

Draw a picture of your family together at the Feast.

The World Tomorrow will be a very busy time. Everyone will have a special job to do to contribute to the process of rebuilding and educating the world. There will be teachers showing mankind how to live God's way. The vast rebuilding program will require engineers, draftsmen, carpenters, and stone masons. Many people will be farmers cultivating the re-formed land with healthy crops for food. Tool makers will turn the old weapons of war into tools for farming and building. Talented musicians will bring joyful music to the people. There will be potters, sculptors of gold and silver, and artists to paint the beauty of God's kingdom. There will be so much work to do. What do you think your job might be? Think about the talents and abilities God has given you and then draw a picture of yourself working in God's Kingdom.

Name this animal.

How many different words can you make from these letters?

Do you think this animal will be friendly in the World Tomorrow?
Color the picture in different shades of Green.
