

Children of Zion

We're on our way to Zion its rough at sea.
It's rough at sea.
We're on our way to Zion for we believe.
We believe

Were sons and daughters of Zion we shout!
God will live forever with us.
We're sons and daughters of Zion we shout with joy.
Alleluia.

We're made to be kings and priests, royalty
on thrones of peace.
We'll serve the Holy Father with His Son
together as one.

Were sons and daughters of Zion we shout!
God will live forever with us.
We're sons and daughters of Zion we shout with joy.
Alleluia.

We're on our way on the road to Zion.
God leads the way for He loves His children (4 times)

for He loves His children (3 times)
