

## Emmanuel

Emmanuel we want to do Your will  
Hosanna lead us on Your path  
King of kings You wear a crown of thorns  
Oh Lamb of God for us You shed Your blood

This world is rejecting everything that we're accepting

The Light of the world, a Lamp unto our feet  
The One who holds the key to eternity  
Our High Priest and our Advocate  
Prince of peace and the Shepherd's Gate

This world is rejecting everything that we're accepting

We are His forever  
Until the end  
No longer His servants,  
but now His friends

Merciful One You promised paradise  
in the world to come. We'll see You when we rise

Emmanuel we want to do Your will  
Oh Lamb of God for us You shed Your blood
