**Verse**

**We're on a journey to life everlasting  
It's a straight and narrow road...we're asked to walk  
We'll stay on course with the Bible as our road map  
Knowing at this journey's end...we'll be with God**

**Chorus**

**On Kingdom Road...we're heading for tomorrow  
Into a world where peace and joy will finally reign  
We'll keep our eyes fixed firmly on the Savior  
As we travel along...Kingdom Road**

**Verse**

**There will be trials, and some we won't see coming  
But we'll press on...not veering left...not veering right  
Keeping the faith...we'll focus on God's promises  
Through every valley low and mountain high**

**Chorus**

**On Kingdom Road...we're heading for tomorrow  
Into a world where peace and joy will finally reign  
We'll keep our eyes fixed firmly on the Savior  
As we travel along...Kingdom Road**

**Bridge**

**Our destination is a sweeter land  
Where...the lion...will lie down...with the lamb**

**Revised Chorus**

**We'll keep our eyes fixed firmly on the Savior  
As we travel along...Kingdom Road**

**Tag**

**Won't let go of his hand...along Kingdom Road**
