

## Pass Over Me

Ooooo  
Death angel  
Ooooo  
Pass over me.

I will eat the bread of life.  
Pass over me  
I will drink the fruit of thy vine.  
Pass over me  
I will clean out leavening.  
Pass over me  
I will purge out sin in my life.  
Pass over me

Ooooo  
Death angel  
Ooooo  
Pass over me.

Be my cloud by day.  
Pass over me  
Be my pillar by night.  
Pass over me  
Let me cross the Red Sea  
Pass over me  
To a land of milk and honey.  
Pass over me

Ooooo  
Death angel  
Ooooo  
Pass over me.
